#### Sindbad Zone and Game Flow

Sindbad Adventure has a unique game mode, called "Sindbad Zone."

# Once you enter the Sindbad Zone, you can win a bonus round at the rate of 33%! It lasts approximately 20 games.

## **Winning Signs**

To win prizes, you need to know a variety of machine actions that show winning signs for oncoming prizes. Here are examples.

# Machine Action (1) Fight the Cyclop!

# Machine Action (2) Wheel of Fortune!

When you make a diamond on the screen, you will see winning symbols rotating. If you hit a lighting on one of them, you will win either a bonus round or the Sindbad Zone!!

# Machine Action (3) Changing Background

# Machine Action (4) Treasure Box

When a treasure box in the middle of screen pops up a winning symbol, you will win the prize accordingly.

### Machine Action (5) Others

## Machine Action (6) A Big Break!!

When you see a bird flying by, it is a sign for an oncoming prize. This bird is called "Rock" that brings you good luck. If the Sindbad girl appears, following Rock, it is a sign for the Big Bonus oncoming!

There is a super rare machine action that follows Rock. It is a 17-second freeze. After this big break, you will enter the so-called "Great Voyage" -- the special Big Bonus that reproduces Big Bonus again and again!! It is said that the Great Voyage gives the Big Bonus 9 times on average, at least 4 times!!!

### To play the Big Bonus...

# Winning another Big Bonus!!

During the Big Bonus, you win 15 credits easily by stopping the reels according to the arrow that appears right under the reel window (see above) -- in this case you stop the reels from right to left.

When you see "Chance" in the arrow, the machine shows a <7> on the right and middle reels. If you nail a <7> on the left reel, you will enter another Big Bonus after finishing the bonus round!

You can earn 630 credits on average, 711 credits maximum from the Big Bonus.
