# OutRun 2 SP SDX

OUTRUN 2 SPECIAL TOURS

The latest sequel to the classic OutRun series, OutRun 2 SP SDX is a virtual experience combining the exhilaration of OutRun 2 SP game play with a thrilling big screen, simulated cabinet.

## A COMPLETELY NEW RACING EXPERIENCE

- Single Cabinets come loaded with 2 sets of handles, accelerators and brakes for Team Play.
- In Team Play, the drivers switch when the car comes in contact with other cars, walls or stage change creating an intense, reflex experience for the player.
- 3 Single Play Modes: OutRun Mode (easy driving), Heart Attack (speed up to raise the heart gauge), and Time Attack (race mode).
- In Linked Mode, players board their cabinet's Ferrari model in the game and compete with the other cabinets on the same road.
- Single (Cabinet) Mode offers a choice of 10 in-game Ferraris in a race against the CPU.
- An Electronic Billboard indicates real-time ranking of the players.
- CCD Camera puts the leading player's look on the overhead monitor to show off their driving skill to surrounding audiences.
- Background Music plays from a list of OutRun classics.
- On Sega's dynamic Lindbergh hardware system

**SDX is a two-seated, moving cabinet that can be linked with others for a super interactive experience.**

4 Ferrari cabinet models: F50, 246 Dino, 360 Spider and 512 BB.
