

WILD WILD WEST

Wild Wild West is a roll down game with the feel of a Shooting Gallery. While moving targets circle around at the end of the playfield, the player has 3 chances to roll the ball and hit a target.

Hit 3 of a kind and win big. A built in progressive jackpot increases the ticket payout each time a coin is inserted. Play up to 3 Coins and the player could win 500 tickets!

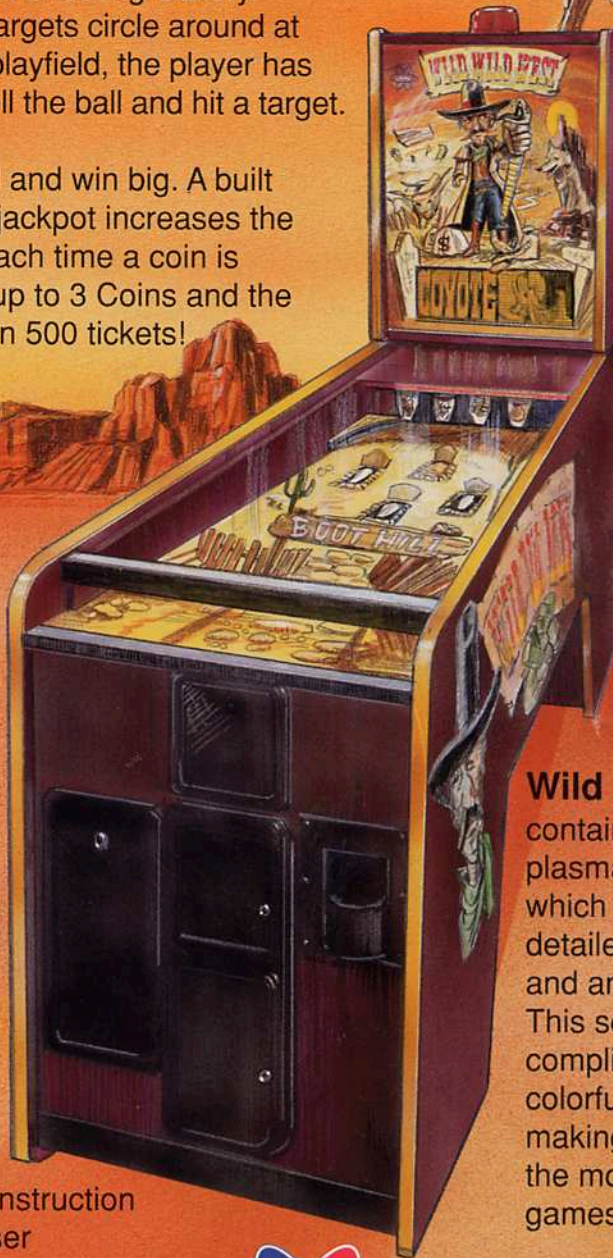

Foot stomp'n' music and hootin' and hollerin' voices make the player feel like they are in the **Wild Wild West!**

There are four different targets to hit:
Money Bag Coyote Steer Outlaw

But watch out for the **Rattle Snake**...if you get "snake bit", you lose your tickets from your previous roll. Plus, Pop Up Targets on the ramp make shooting more challenging!
