

SERVICE BULLETIN

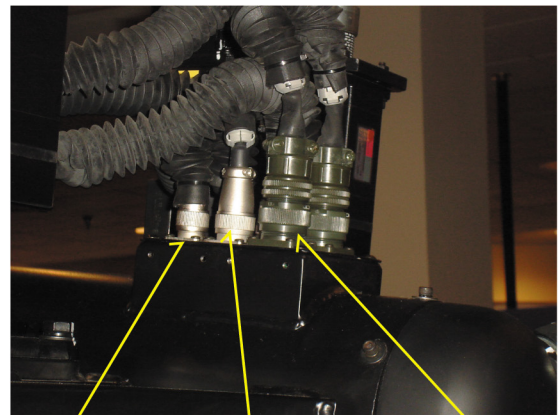

June 5th, 2007

GAME NAME: CYCRAFT (INITIAL D3, CLUB KART)

SUBJECT: ● CONNECTOR OF ACTUATOR, LEFT AND RIGHT

Please check connection of Round connectors as below, if you have MOTION STOP some time during operation.

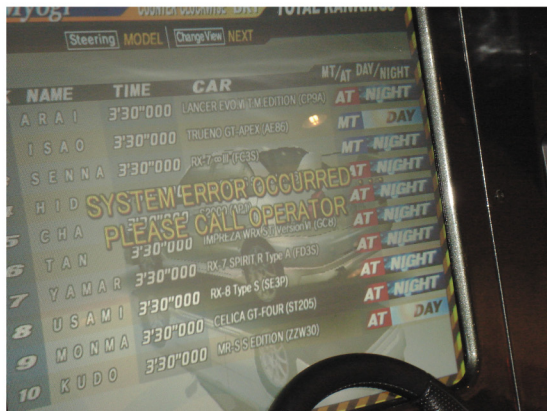

Round connectors (3 different sizes, Left and Right)

Small

Medium

Large

Error message "SYSTEM ERROR OCCURRED. PLEASE CALL OPERATOR." displayed when MOTION STOPPED.

Example;
LED display on panel shows error "8c3" on #2 Actuator which is Front actuator Left.
Please double check the connection of 3 of Round connector set on Left side.
