EDGE OF THE DREAM BALLPARK

World Series 99 brings all the action and excitement of the fall classic to your locations! Featuring every team and player from the 1999 Major League Baseball season! Hit homers like McGwire, throw heat like Johnson, steal bases like Henderson or field like Jeter!

**If they can do it  
on the diamond,  
you can do it  
in this game!**

## Featuring VMS

**World Series 99** lets players control the action with Sega's **Virtual Manager System (VMS)** – they pick the starting pitcher, set the lineup, make substitutions, call the plays ... steal, squeeze, pick-off, hit and run ... **with every player from every team from the 1999 Major League baseball season!**

## Player Controls

Player controls include a joystick, two buttons and Sega's brand new Flick Action bat/pitch lever! Simple to use and understand, yet delivering amazing accuracy and feel!

### Cabinet Specifications
