THE FUTURE OF RACING HAS ARRIVED ...

F-ZERO AX

F-ZERO AX takes you on an exhilarating race through a 26th century sci-fi world where the only thing that matters is speed! Prepare to be amazed as you pilot your racer through an unbelievably realistic alien world where winning is the only thing that matters.

F-ZERO AX Features Include:

- Sega's exclusive MGRD™ technology lets you save your race results, points total, pilot selection, and machine set-up. (Memory Card Reader and Dispenser MGRD for F-ZERO AX License Card only.)
- Interactive with Nintendo GameCube™ F-ZERO GX game. For the first time, players can exchange features between the arcade and GameCube version by using Nintendo GameCube™ Memory Card.
- Internet-based ranking system (F-ZERO.jp) lets you post your best scores from time-attack mode against the best F-ZERO AX players in the galaxy!
- Motion-based cabinet™ puts you in the cockpit and at the controls of a futuristic racer unlike any you've raced before. (Dance only.)
- Link up to 4 F-ZERO AX cabinets together for head-to-head racing action.
