About Extreme Hunting 2 – Tournament Edition™/ALL.Net

Sega's *Extreme Hunting 2 — Tournament Edition™* is the newest installment of the former Sammy hunting franchise, a direct result of the merger of the two successful companies. This version extends the franchise's already superior scene design, true-to-life animations, and wide variety of wild game. Sega has also added an online tournament component, ALL.Net, which allows players to compete with others across the nation, and join the Extreme Hunting database. *Extreme Hunting 2 — Tournament Edition™* had a fantastic unveiling at the 2006 ASI Show and is proving to be a much anticipated industry hit.
