ARE YOU READY? HERE WE GO!

- Dynamic redemption game spin-off of the popular video game Crazy Taxi.
- A 3-D fully detailed Crazy Taxi with animated Cabbie and Passenger careens from side to side. Players have to get their coin or token past the swerving car and pick up their fare without getting run over by the Crazy Taxi!
- 1 or 2 player game with fast paced roll-down action
- 8 different taxi "fares" are waiting for the player who times the release of their coin or token to pick them up. Go for the biggest ticket "fare" for the Crazy Taxi bonus.
- Actual music and sound effects from the hit video game.
- Electronic coin comparator self calibrates to your location's token or coin size.
- Small footprint in a two-player cabinet makes it easy to bank without wasting valuable floor space.
